

About The Program

The **Greater Boston Nazarene Compassionate Center** mentoring program is bringing together youth and college students/professionals from the community. The mentoring program is designed to have structured relationships occurring over a period of a year between the mentor and mentee. The services are provided at a no cost to youth and are funded through the Nazarene Compassionate Ministries. INC

Mentees

Gain:

- ◆ improved self-confidence
- ◆ increased skills and knowledge
- ◆ a supportive environment in which successes and failures can be evaluated
- ◆ potential for increased visibility and

Mentors

Greater Boston Nazarene Compassionate Center is dedicated to working to help youth succeed by giving them the tools to get to the next step. One of the programs we are always recruiting volunteers for is our mentorship program. Are you a college student/professional interested in helping youth succeed? If so become a mentor. **GBNCC** is actively looking for mentors.

Gain:

- ◆ satisfaction from contributing to the mentees development
- ◆ enhanced self-esteem
- ◆ opportunities to test new ideas
- ◆ improved ability to share experience and

National studies show that children who are mentored are:

- ◆ 52% less likely to skip school.
- ◆ 46% less likely to begin using illegal drugs.
- ◆ 32% less likely to hit someone.
- ◆ 27% less likely to being using alcohol.
